

March for Life
Washington D.C.

Dear Friend of Life:

I will be attending the annual March for Life next January in Washington D.C. along with Youth for Life of Northeast Ohio and adult leaders from Right to Life of Northeast Ohio. We will be participating with hundreds of thousands of students and people from across the United States in this peaceful protest against abortion. I am asking your assistance in sponsoring me so that I can fully participate in this mission. Through Youth for Life of Northeast Ohio, we are working hard to do what we can in our schools, churches and youth groups to bring a positive culture of life to reality in our nation.

The total cost of the trip is \$225 per student which will cover transportation, overnight accommodations, some meals and attendance at the Students For Life Conference. I respectfully request that you might prayerfully consider supporting my participation in this trip as I join in the fight to end abortion. I would be very grateful if you would consider a gift of \$10, \$20, \$25, \$50 or more to support my pro-life activities. This trip is an opportunity of a life time for me to learn how to become part of the solution in stopping the killing of our innocent unborn by abortion. I very much appreciate not only your financial support, but also your prayers as I participate in this most important occasion. Please feel free to contact me for more information.

Sincerely,

Member of the "Pro-Life Generation"!
