

Some Examples of Pro-Life Messages to use on Pro-Life Chalk Day:

Abortion Hurts Women.

Women Need Love Not Abortion.

Restore Preborn Rights.

Human Rights for All: Born & Preborn.

The heart starts beating at 21 days.

Social Justice Begins in the Womb

Adoption Not Abortion

Love them both

Abortion = Preborn Genocide

True Feminists are Pro-Life.

Peace Begins in the Womb.

Planned Parenthood Protects Rapists.

Pro-choice = No-choice

End the War on Preborn Children.

Women Regret Abortion.

Equal Rights for Preborn People.

Abortion is the ultimate child abuse!

ABORTION: we don't like talking about it; we are COMPELLED to talk about it!

No values = ABORTION

Abortion is torture to women and children.

Choice oversteps its bounds when it infringes upon the rights of others.

56 million children killed just for being conceived!

To err is human. Abortion is no error...it is murder.

As a former fetus, I oppose abortion!

Some babies die by chance—none should die by choice.

Real doctors don't kill babies or euthanize anyone else.

If abortion photos are so horrifying that we need to look away, then perhaps we should not be tolerating abortion.

Abortion makes you the mother of a dead baby.

Pro-Life is the radical notion that babies are people.

Abortion: one dead, one wounded.

Every life is worth living.

Diapers are disposable, babies are NOT.

Abortion stops a beating heart.

CHOICE: It's to die for—literally.

Every life deserves a lifetime.

Life from conception—NO EXCEPTION.

True love waits for marriage.

Abortion is the choice of selfishness, convenience and murder.

Human life is a right at EVERY age.

The way people in the United States execute human beings through abortion and euthanasia would be an abomination if it were animals.

Thou shalt not kill—God

No man has power to retain the spirit, or power over the day of death. *Ecclastes 8:8*

I knew you before you were born. *Jeremiah 1:5*

The assumption that patients should have a right to die would impose on doctors a duty to kill.

Euthanasia is a grave violation of the law of God, since it is the deliberate and morally unacceptable killing of a human person *Saint John Paul II*

Abortion and euthanasia are more techniques to free society of disabled people.

I will give no deadly medicine to any one if asked, nor suggest any such counsel ... *The Hippocratic Oath*

A person's a person no matter how small....or how old....or how disabled.

Abortion and euthanasia destroy the boundary between healing and killing.

All we are saying is give LIFE a chance!

MIA: missing in abortion

POW: person or waste?

The only true controversy about abortion is our silence.

God creates no accidents.

Abortion is a death penalty for innocent children.
