Lisa Madigan  
Attorney General  
100 West Randolph Street  
Chicago, IL 60601

Dear Ms. Madigan:

Under 105 ILCS 5/34-205(b), Chicago Public Schools (CPS) “shall publish a space utilization report for each school building operated by the district on the district’s website by December 31 of each year.” CPS had not done so for 2016. After informal requests for the data were rebuffed, we submitted a FOIA request on 14 June to CPS for the data. On 10 July, CPS’ FOIA office replied that the data was being compiled. Two months have passed since the reply and the data is still not available.

We request that your office instruct CPS to comply with its obligations under the Illinois School Code and publish the 2016 space utilization report.

Thank you.

Sincerely,

Joy Clendenning,  
Managing Director
