LSC Elections: Building LSC Power Together

“"If you want to go quickly, go alone. If you want to go far, go together."

This workshop will help coordinate and organize parents and community members together at their respective schools in preparation for the LSC elections in April. We will go over strategies and best practices on how to organize your parents and community members so that we can collectively create change at our schools. We will go over how to form a slate and ways to coordinate with school staff.
