

How does capital spending vary by ward?

This chart lists Chicago aldermen in the order of how often they vote in agreement with Mayor Emanuel from 2015-2017 along with actual CPS capital expenditure on facilities in their wards for FY13-17 and the CPS capital budget for FY18-19. The reasoning behind how CPS allocates capital spending and facility repair is not transparently available to the public.

Vote %	Ward	Alderman	Expenditure FY13-17	Budget FY18-19	Vote %	Ward	Alderman	Expenditure FY13-17	Budget, FY18-19
100%	14	Edward Burke	47,565,190	-	90%	4	Sophia King	154,039,120	12,800,000
100%	40	Patrick O'Connor	29,436,929	17,000,000	90%	18	Derrick Curtis	36,690,274	3,100,000
100%	30	Ariel Reboyras	13,746,523	-	90%	11	Patrick D. Thompson	61,964,655	7,225,000
