The RJ (Restorative Justice) Advocates Training is for parent leaders, youth leaders and community organizations working to implement restorative justice* practices in the Santa Ana Unified School District. Learn how to advocate for Restorative Justice practices to transform our schools, communities and each other!
*Restorative justice prioritizes community healing over punishment. It shifts the focus from what rules were broken to what harm was done and what needs to be done to repair the harm. Restorative Justice heals our community and schools. RJ for all!
