Funder Landscape Analysis

Deborah Phares conducted interviews and research on potential sources of funding for collaborative work post 2020.

Our committees therefore took a pause, while we created space for All Campaigns/Town Hall convenings of everyone involved with SABHC.

In order to better reach adults and youth of the initiative, our facilitators team grew once more to include adult and youth facilitators.

So where we are today?

We've not taken the easy
continue to adapt and evolve

**With a lot of the
raw ingredients
on hand, ready
for the cooking.**

We've not taken the easy route, and will continue to adapt and evolve as needed.

2019

With this in mind, our aim is to accomplish the following this year:

- Identify recurring dynamics/issues in organizing as well as potential solutions for a culture of organizing that prevents and addresses harms.
- Find the places of intersect in the clusters of collaboration/ campaign interests, and define if/how we can work together under a different culture of organizing.
- Define our structures moving forward, measures of accountability, and levels of participation.
- Return to a power analysis and funders landscape to consider our areas of priority.
- Identify opportunities for resourcing, and metrics and process to evaluate our work.
