

# WARD 8

Ward 8 is comprised of the neighbourhoods: Brevoort Park, Briarwood, Brighton (Holmwood Sector), College Park, East College Park, Greystone Heights and Hillcrest Management Area.

As your City Councillor, I want to make sure residents have quick access to information to stay up-to-date with city and ward-related developments and to be able to reach me and the City of Saskatoon. Below you will find the relevant contact information and websites.

## AN UPDATE:

One of the many things that happened in 2017 included City Council solidifying 10 strategic priority areas and creating associated leadership portfolios for each Councillor.

I am the co-lead for Environmental Sustainability, alongside Councillor Mairin Loewen. The topics widely discussed in this portfolio include waste diversion and greenhouse gas reductions.

Visit [saskatoon.ca/city-hall/](http://saskatoon.ca/city-hall/) to learn about the remaining portfolios.
