

# **Petition to the Government of Saskatchewan calling for paid sick leave legislation**

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

- A healthy workforce is good for the economy.
- Lives could be saved if workers could afford to stay home when they're sick.
- No one should have to make the choice between going to work sick or risking the roof over their head by staying home.
- Workers, doctors, and public health officials have all called for paid sick leave in Saskatchewan.
- The Official Opposition has twice introduced paid sick leave legislation since the onset of the pandemic, calling for a minimum of 10 paid sick days each year and 14 days during a public health crisis.

**We, in the prayer that reads as follows, respectfully request that the Legislative Assembly of Saskatchewan:**

**Call on the Government of Saskatchewan to introduce and pass paid sick leave legislation.**
