Independent Auditor's Report

To Brad Sylvester, Official Representative of Candidate Ken Cheveldayoff for submission to the Saskatchewan Party Headquarters in accordance with the Saskatchewan Party Leadership Election 2018 Official Campaign Rules (the "Rules").

Report on the Return

We have audited the accompanying Candidate's Final Leadership Election Return (the "Return") for the candidacy of Ken Cheveldayoff, a candidate at the Saskatchewan Party Leadership Elections held on January 27, 2018, which comprises the Summary of Donations received totalling \$250 or more, Summary of Donations in Kind, Summary of Expenses Paid under the authority of the Official representative and Summary of Donations by Category (the "financial information") for the Candidate's electoral campaign ended January 27, 2018.

This Return has been prepared by the Official Representative for the Candidate in accordance with the financial reporting provisions of the Saskatchewan Party Leadership Election 2018 Official Campaign Rules.

The Official Representative's Responsibility for the Return

The Official Representative of the candidate is responsible for the preparation of the Return in accordance with the financial reporting provisions of the Saskatchewan Party Leadership Election 2018 Official Campaign Rules and for such internal controls as the official representative determines is necessary to enable the preparation of the Return that is free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Return based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Return is free of from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Return. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the Return, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the preparation of the Return in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the official representative, as well as evaluating the overall presentation of the Return.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the Candidate's campaign accounting records, and we were not able to determine whether any adjustments might be necessary to contributions, other revenue and expenses.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the "Basis for Qualified Opinion" paragraph, the Candidate's Final Leadership Election Return for the candidacy of Ken Cheveldayoff is prepared, in all material respects, in accordance with the financial reporting provisions of the Saskatchewan Party Leadership Election 2018 Official Campaign Rules.

Basis of Accounting and Restriction on Use

Without further modifying our opinion, we draw attention to the Note to the Return, which describes the basis of accounting. The Return is prepared to assist the Official Representative to meet the requirements of the Saskatchewan Party Leadership Election 2018 Official Campaign Rules. As a result, the Return may not be suitable for another purpose. Our report is intended solely for the Official Representative, the Candidate and the Saskatchewan Party Headquarters, and should not be used by parties other than the Official Representative, the Candidate and the Saskatchewan Party Headquarters.
