

The Saskatchewan Party operates primarily with donations from people such as yourself.

Many people want to give larger donations but can't afford to do so all at once.

The Keyfund Monthly Donor Program allows you to make small monthly payments in the amount of your choice.

On the last business day of every month your chequing account or credit card will be debited by this amount. You don't have to do a thing!

Keyfund Member Benefits

- Keyfund allows you to spread out your contribution into easy monthly payments.
- Keyfund members have their membership automatically renewed every year at no additional cost. This also applies to spouses, if they so wish.
- Your contributions will be split 50/50 between your local constituency association and the Party. This ensures that your candidate and the Party have enough funds to fight and win the next provincial election.
- All Keyfund donations are eligible for tax receipts, but only total annual donations of over \$250 are made public.
