

## A STRONG BANKWEST FOR ALL OF US

To: The Hon Colin Barnett MEd MLA Premier of Western Australia, The Hon Mark McGowan MLA WA Labor Leader, The Hon Brendan Grylls MLA Leader of the WA National Party

This petition of concerned BankWest Staff and citizens of West Australia call on our local politicians to commit to maintain and preserve the guarantees of a strong Bankwest contained in the Bankwest Act.

Particularly we call on commitment to protect the following:

- Not reduce the Bankwest points of presence to below the number as stipulated at the point of threshold, as defined in the Act, namely 88.
- That Bankwest points of presence in regional Western Australia, as defined by the Act, will not be closed and any relocation will be within 5 kilometres of the previous location.
- That CBA's decision to develop large centralised workplaces on the Eastern seaboard will not impact the level of employment of West Australian staff in the support functions primarily based at Bankwest Place.
- Finally that the Bankwest business continues its sponsorship and community development initiatives in Western Australia.
