May 2017

Dear Friend:

For 15 years, SBCAN has been working to protect our environment and the rights of all of our county's residents. Now, this work is more important than ever.

Each year we recognize individuals, businesses or organizations that work selflessly to these ends during our **North County "Looking Forward" Awards Dinner & Fundraiser**. These awards help encourage this good work to continue. The dinner also helps raise the funds we need to keep doing our part.

Please join us in honoring outstanding community leaders by becoming a sponsor of the dinner or by placing a Greeting in our Tribute Book.

The dinner will be held on Sunday, June 11 at 5 p.m. at the Radisson Hotel, 3455 Skyway Drive, Santa Maria.

This year's award recipients are:

- Terri Zuniga, "Looking Forward" Award
- Rona Barrett, Giving Back to the Community Award
- Alma Hernandez, Environmental Protection & Sustainability Award
- Ann & Rob Glasgow, Working Families Award
- Vibiana Saavedra, Social Justice Award

Your sponsorship will reflect your commitment to the community and to those who have served it with such dedication. You will also benefit from significant publicity through our media promotions, public acknowledgements and Tribute Book, helping to connect you with our friends and members throughout the county.

SBCAN is a countywide, grassroots organization dedicated to creating sustainable communities by promoting social and economic justice and preserving our communities' environmental and agricultural resources.

Attached for your review are suggested sponsorship levels as well as information about placing a greeting in our Tribute Book honoring the award recipients. **Please respond by May 26 to be included in our Tribute Book and to be announced at the event.**

Thank you for considering a sponsorship or a greeting this year.

Sincerely,

Ken Hough
Executive Director
