JOHN F. KENNEDY
1917-2017

*"Now the trumpet summons us
again — a call to bear the burden
of a long twilight struggle... a
struggle against the common
enemies of man: tyranny, poverty,
disease and war itself."*

*"The attainment of knowledge is
the high and exclusive attribute of
man... Man discovers his own
nature as the link between earth
and heaven; as the partaker of an
immortal spirit; as created for a
higher and more durable end."*
