

Instructions for completion of a Californians for School Choice ballot initiative

You must be 18 years or older to collect signatures.

1. All signers must be registered voters.
2. All signers on a given petition must be from a single county. Write the name of the county in the first blank space above the signature boxes.
3. Signer must print and sign their name as when they vote.
4. They must write physical address (No PO Box). Do not abbreviate the city. Standard street address abbreviations of (N., S., E, W., Dr., St., Ln., Rd.) are acceptable.
5. Keep all writing within the signature box on the initiative. Don't go above, below or into the side columns. Use post-it notes to bracket the box on the bottom and the right hand column, so signature does not extend out of the box.
6. Please recruit 5 other people to sign your petition to complete the page.
7. Complete and sign the declaration at the bottom, as the circulator of the initiative. Include your full name (including middle name), full address, and collection dates.
8. Return it to any of the pick-up locations or county chair or mail it to the address at the bottom of the petition.
