

## ***Celebrate National School Choice Week in Cleveland!***

*Save the Date for a special event on Thursday, January 31, 2013.*

Join us to celebrate National School Choice Week and to shine a spotlight on effective education options for every child.

National School Choice Week has chartered a historic railcar and is organizing the school choice movement's first cross-country, whistle-stop train tour to galvanize public support for enhanced educational options. This 14-city tour makes its ninth stop here in Cleveland!

Join us to celebrate the benefits of widespread school choice in the Buckeye State, in the city where bold reformers took the promise of private school choice to the U.S. Supreme Court – and won!
