

Resolution 2021.1.05  
05 January 2021

**Resolution to show support and approval of Representative Cathy McMorris Rodgers along with multiple other Senators and Representatives to object when Congress counts the Electoral College votes, forcing lawmakers in both the House and Senate to vote on whether to accept the results of President-elect Joe Biden's victory.**

Whereas federal law requires Congress to count and certify the results of each state's electoral vote in a joint session of Congress,

Whereas lawmakers can raise objections if one member of the House and one Senator formally object and force debate and votes in both chambers;

Whereas some states, particularly Pennsylvania, failed to follow their own state election laws;

Whereas it is our belief that Congress should investigate allegations of voter fraud and adopt measures to secure the integrity of our election but has so far failed to act; and,

Whereas the Spokane County Republican Central Committee (SCRCC) Board stands for election integrity; now, therefore, be it

*Resolved*, that the Board of the Spokane County Republican Central Committee (SCRCC) on behalf of Republicans in Spokane County:

1. supports the action of both Senators and Representatives in raising objections to the certifying of the results of several states whose election results may be in question
2. urges Republican House members from the State of Washington to vote in favor of said objection
