

Dear Friends,

We regret to inform you that we will be postponing the 'Top of the Morning' breakfast, scheduled for next Wednesday, March 18 at the Spokane Convention Center, due to concerns over the spread of COVID-19 coronavirus.

Our first priority is your health and safety. We have been watching this evolving situation closely, and we are postponing the event following today's updated guidance from the Spokane Regional Health District. All local gatherings of more than 250 guests will be banned as of this evening.

It is a responsibility incumbent on all of us in our community to protect those who are at highest risk from the coronavirus outbreak, and to support all efforts to slow the spread of the virus so that healthcare providers can provide the best care for severely afflicted patients.

Cathy is working closely with federal, state and community partners in the fight to contain and delay the coronavirus outbreak.

We greatly regret the inconvenience caused to our guests by postponing this event, and especially those who have invited friends and colleagues to join us.

**Table hosts: please share this notice with your guests**, for whom we may not have direct contact information.

And while this annual event is typically the formal "kick-off" of Cathy's re-election campaign, let us assure you Cathy is ready to win big again in November. If you have questions, please call our office at (509) 624-1199 or email [info@cathyforcongress.com](mailto:info@cathyforcongress.com).

We are very grateful, as always, for the wonderful support from so many of you, and look forward to being in touch with information for rescheduling this event.

Our very best wishes to you and your families during this challenging time – stay healthy, stay safe!

Thank you for your support and understanding.

Emily Strode  
Campaign Manager
