Seed Technology

Editorial – Riad Baalbaki and Susan Alvarez ............................... 75

REFEREED PAPERS

Propagation of Vanda coerulea Via In Vitro Asymbiotic Seed Germination / Viki Manners, Suman Kumaria and Pramod Tandon ... 79

Evaluation of Morphological Variation of Common Bean Seeds Through Image Analysis / Juhi Mishra, Vikash Singh Jadon, Manju P. Gusain and Aradhana ...... 111

Thermotolerance Classification of Ornamental Pepper Cultivars Using Seed Germination Traits / Bandara Gajanayake, Brian W. Trader, K. Raja Reddy and Richard L. Harkess ................. 134

Dormancy Breaking in Jute Mallow (Corchorus olitorius) Seeds / Faith N.W. Maina, Reuben M. Muasya and Linnet S. Gohole. ............. 147

Carbon Nanotubes Can Promote Seed Germination via Seed Coat Penetration / Ali Pourkhaloei, Maryam Haghighi, Mohammad Jamal Saharkhiz, Hadi Jouzi and Mohammad Mahdi Doroodmand ......................... 155

SEED TECH NOTES

Variation in Seed Soluble Proteins, Carbohydrates, Free Amino Acids and Germination of Three Garhwal Himalayan Conifer Species / B.S. Rawat and A.K. Uniyal ......................... 173

Effect of Different Static Electromagnetic Fields on Germination Speed of Mung Beans (Vigna radiata var. radiata) / E. Rajasekhar, M. Nagaraju, S. Raisa Reshma and R. Jeevan Kumar ... 182

Seed Vigor Imaging System for Two-Day-Old Corn Seedling Evaluation / V.H.V. Mondo, M.A.N. Dias and M.B. McDonald. ......... 191

ABSTRACTS from oral and poster presentations at the 2011 AOSA/SCST MEETING, Williamsburg, Virginia

Distinguishing Knapweeds and Star Thistles (Centaurea spp.) of Interest to Canadian Weed Seed Regulation / Jennifer Neudorf, Joanne Hinke and Ruojing Wang ......................... 199

(CONTINUED ON Inside Back Cover)
Pilot Project: Canada’s Least Wanted Plant Species / Ruojing Wang, Janine Maruschak and Jennifer Neudorf ............... 200

Genetic Testing in Ryegrass: Beyond Visual Inspection / Reed E. Barker and Judy Barker ........................................... 201

2010 Kentucky Seed Count Survey / Cindy H. Finneseth and Chris Thompson. ................................. 201

Developing a Standard Germination Protocol for Partridge Pea / Cindy H. Finneseth ............................... 202

Instructions to Authors ......................................................... 203
