

# ARE YOU ENGAGED?!!

## MEMBERSHIP ENGAGEMENT WORKSHOP

March 16, 2017

Dinner: 4:30 pm – Meeting: 5:00 pm

Trainer: Ed Sibby

Bring your laptops and electronic devices! Member engagement is priority one as we move our agenda to encourage communities to participate in local accountability plans. The goal of the LCAP is to improve schools for all students irrespective of zip code. In order to move that community agenda, chapters will need engaged members. This training will show how local leadership can begin that engagement program at any time with the use of CTA's award-winning Membership Engagement Guide (at [www.cta.org/leaderresources](http://www.cta.org/leaderresources)).

LOCATION:  
SAN DIEGO RRC
