To share at your next Faculty meeting

1. **Budget** - The proposed SEA budget was presented and passed by the Site Representative Council. The Board requested a \$3 off-schedule increase in SEA dues. The matter was discussed by the Rep Council. There must be a vote of the entire membership. The Rep Council approved a motion for the \$3 increase.
2. **PAC** - Political Action (PAC) forms will be going out. Encourage members to do voluntary contributions for the school board elections. There will be an opt out form for the reverse dues that will be mailed.
3. **Stand Up For Kids Drive** - We will be collecting gently used winter clothing, sleeping bags, blankets, and toiletries for homeless youth in our community. SEA and SUHSD will announce collection sites in November.
4. **MAAC Charter** - A demonstration will be held in support of the MAAC charter teachers who are without a contract after 2 years. A demonstration will be held on November 16, 2017 at the MAAC GALA at the Urban Wood Gallery at 5:00 pm. in Little Italy. More information will follow.
5. **Conferences** - Several CTA conferences are coming up. CTA and San Diego Service Center have grants for conference fees and transportation. SEA will help with lodging and food. Contact Julie Walker for more information. We are looking for Emerging Leaders and Minorities for the grants from CTA.
