

Waste & Recycling

TOP HACKS FOR POSITIVE ACTION

AVOID/REFUSE

- Say no to single use plastics - like straws, disposable cutlery, bags
- Use bees wax wraps or reusable containers instead of cling wrap
- Buy your food in bulk to avoid unnecessary packaging

REUSE

- Choose a reusable water bottle to quench your thirst
- Get your takeaway coffee in a reusable cup
- Shop with your reusable bag instead of plastic bags

RECYCLE

- Use your recycling bins for:
 - aluminium cans, plastic containers and glass
 - paper, cardboard, pizza boxes and magazines
- Drop off soft plastics at Coles and Woolworths recycling bins
- Compost your food waste to give free fertiliser to your plants

GET RID OF IT RIGHT

- Electronic goods and chemicals – Drop off at a collection day
- Batteries, old mobiles and ink cartridges – Drop off at Library and Customer Service Centre
- Offload your unwanted goods with a garage sale, online or at a charity shop
- Large bulky waste - Book a clean-up collection
