

Wildlife & Bushland

TOP HACKS FOR POSITIVE ACTION

CARING FOR BUSHLAND, WILDLIFE AND GARDENS

- Volunteer for a [Bushcare group](#) to enjoy our bushland pockets
- [Request a tree](#) for your nature strip through Council
- Create your own native garden with [Habitat Stepping Stones](#)
- Plant your own street garden for you and your neighbours
- [Join a community garden](#) if short on space at home
- Share a garden with friends - Gardening is more fun with friends!
Find out how to get started
- Hang out in nature – It's proven to reduce stress, improve memory and wellbeing!
- Enjoy a discovery walk in Bronte Gully or Diamond Bay
- Cut down on garden chemicals – and see an increase of wildlife in your garden
