

FAQ SEIU-WEST

UNION DUES

Did You Know your union dues are 100% tax deductible? You heard it right!

We know that many union members are unaware of this important detail, so we want to make sure that you're in the know!

You can find out more on the Canada Revenue Agency (CRA) website - just search for 'Line 212'. If you are contacted by the CRA about the dues you claimed as part of your income tax, offer them copies of your T4 as it displays the amount of union dues your employer deducted from your salary and submitted to SEIU-West on your behalf.

If you have any further questions about bargaining or any term of your collective agreement, use the "Contact Us" form on www.SEIUWEST.ca or call your Member Resource Centre (MRC) at 1-888-999-7348 ext. 2298.
