

## **UNION LEAVE**

Did you know as a member of SEIU-West, you're entitled to union leave?

That means if you want to go to a SEIU-West training or event and are accepted to attend, you will receive your lost wages if you were scheduled to work. You will also be reimbursed for expenses such as meals, mileage and accommodation. If you're not scheduled to work, you'll receive an honoraria.

In addition, SEIU-West has a child care policy should the training/event add more costs to your child care.

If you have any further questions about bargaining or any term of your collective agreement, use the "Contact Us" form on [www.SEIUWEST.ca](http://www.SEIUWEST.ca) or call your Member Resource Centre (MRC) at 1-888-999-7348 ext. 2298.
