Take The Purple Votes Pledge:

SEIU-West recognizes the importance of informed voting because all members are affected by issues that are largely led by our municipal governments – in order to ensure our issues are heard and that we have city/town governments that responds to our voice, we must all become engaged

We want SEIU-West to be informed and heard – that's why we encourage you to **Take the Purple Votes Municipal Pledge!** We want you to talk with your co-workers, neighbours, friends and family about the important issues that matter to your community and pledge to vote in the upcoming municipal election. For every member who collects a full page of signatures, your name will be entered to win a **visa gift card!** And each time you fill a page, your name will be entered to win. *(Remember, you can only use a person's signature once)*. Send your completed pledge forms to actions@seiuwest.ca by November 9, 2020 for your chance to win.

To help you on your way to becoming an informed voter, visit www.PurpleVotes.ca

I hereby commit that I will empower myself to be an informed voter for the Saskatchewan provincial election and I will vote:

Name	Email	Signature	Your Top Priority This Election?
