

GOT LOVE?

2016 Nursing Week Contest

To be a **Continuing Care Assistant (CCA)** or a **Licensed Practical Nurse (LPN)** takes a person who is strong, full of compassion and dedicated to the well-being of the people in their care.

The **SEIU-West family of nursing** encompasses more than 6,000 CCAs and LPNs employed in over four health regions and Extendicare facilities in Saskatchewan.

In celebration of **Nursing Week May 9 to 16, 2016**, your Nursing Care Committee (NCC) wants you to tell us how your workplace nursing team goes the extra mile to ensure that your residents/client/patients get the dignity and respect they deserve in their day-to-day care.

Send us a short description and/or a picture (or video) of your team doing something to show how **Purple Works** in nursing care to christine.miller@seiuwest.ca by Monday, May 2, 2016 and your workplace will be entered in a draw to receive one of three gift baskets.

NOTE: To protect their privacy, please do not include any clients, residents, or patients in your picture/video.
