

LORI JOHB:

A STRONG VOICE, THE RIGHT CHOICE

I've been a proud labour activist for 30 years & part of the SFL executive for 10 years.

I've walked the picket lines with you, spoken at rallies to you and discussed the issues you care about with employers and government.

Now, I'm asking for your vote as I run for president of the Saskatchewan Federation of Labour.

Together, we can make a difference.
