

We want to promote you and your fellow SEIU-West members with the public so that they recognize (like we do) your contribution to the fabric of Saskatchewan. In order to inform and engage the public and ensure a more positive image of unionized workers, we are asking you to tell us more about why you do the work you do every day.

We will use the information you provide and your picture to bring to life the story of your work experience.

If you are willing to share your story, please complete this form and return it to your Unit Chair or Catherine Gendron by email (Catherine.Gendron@seuiwest.ca) or by fax (306-652-1392).
