

Do you live in Navarro County?

Do you need transportation to a doctor's appointment outside of Navarro County?

Are you over 60 years of age **OR** do you have a disability?

Do you have too much income to qualify for Medicaid?

If you answered yes to ALL of these questions, Senior Connect and Star Transit may be able to help. A program, called NC-5310, is designed to fill the gaps of transportation services. This program will provide transportation to people over 60 or those with disabilities who live in Navarro County and need to go to a doctor's appointment in another county. Because people with Medicaid services are provided transportation through Logisticare, NC-5310 is for individuals who do NOT qualify for Medicaid. If you have questions about the program, or if you would like to schedule a ride for medical services using the NC-5310 program, please email info@nohungrysenior.org
