Sponsor: *Groth*

WHEREAS, several San Francisco County Supervisors, in addition to 150 elected officials around the country, have joined the call to abolish U.S. Immigration and Customs Enforcement, a department synonymous with immigration raids, human rights abuses, family separation, and deportation of American residents; and

WHEREAS, President Donald Trump's inhumane and racist immigration policies include: indefinitely detaining migrant families, forcing migrants to sleep in cages on concrete floors, deporting any American resident with a deferred action status, refusing to reunite families and children, and requiring migrant children to represent themselves in court in front of a judge; and

WHEREAS, San Francisco is a sanctuary city, prohibiting City employees from using City funds or resources to assist ICE in the enforcement of Federal immigration law, and in 2013 passed "Due Process for All," which prohibits cooperation with ICE detainer requests; and

BE IT RESOLVED that the Democratic County Central Committee sides with immigrants and supports the call to abolish ICE and condemns any city agency coordinating with or supporting ICE or the Department of Homeland Security; and

BE IT FURTHER RESOLVED that the Democratic County Central Committee urge the San Francisco Board of Supervisors to pass a resolution in support of the call to abolish ICE; and will send a copy of this resolution to the San Francisco Board of Supervisors.

**Resolution Supporting the Decriminalization of Immigrant Communities and
Condemning Any Action by San Francisco Democratic Party Leadership to
Weaken Protections for the Immigrant Community**

Sponsor: *DeJesus*

WHEREAS, In recent years, states and local governments around the United States have increasingly attempted to use state and local laws to impose criminal penalties on undocumented immigrants, and

WHEREAS, The federal government's decision to prosecute more immigration infractions criminally has redirected resources from prosecution of serious crimes such as violent and property crimes. As federal prosecutions for immigration law crimes such as illegal entry have increased exponentially. Prosecutors are choosing to pursue 97 percent of all such transgressions referred to them. Prosecutors currently only pursue charges on about 50 percent of white collar crimes sent to them by law enforcement. Local and states governments that attempt to expand criminal justice resources targeting undocumented immigrants may reduce public safety overall by redirecting funds to push back on undocumented people; and

WHEREAS, Adoption of state and local criminal laws against undocumented immigrants has often been driven by misleading rhetoric about "criminal aliens," as well as by reliance on inaccurate statistics suggesting that all undocumented immigrants are criminals or a dangerous threat to communities; and now therefore be it

BE IT RESOLVED, That the San Francisco Democratic County Central Committee supports the decriminalization of migrants seeking asylum and those fleeing oppressive governments and social conditions in their native countries and supports legislation that prevents further criminalization of immigrant communities; and finally

BE IT FURTHER RESOLVED, the San Francisco Democratic County Central Committee supports further investment in the protection of immigrant communities and condemns any actions by members of the Democratic County Central Committee, and Democratic Party as a whole, to weaken legal protections for immigrant communities.
