A MESSAGE FROM DAVID CAMPOS

CHAIR, SAN FRANCISCO DEMOCRATIC PARTY

Dear San Francisco Democrat,

The San Francisco Democratic Party has fully analyzed the candidates and propositions on the June primary ballot. We have held hours of public hearings, conducted extensive interviews, and studied written questionnaires from all the campaigns and candidates. These are our OFFICIAL DEMOCRATIC PARTY RECOMMENDATIONS.

Voting for these Democratic recommendations will help move San Francisco forward to tackle our most challenging issues including affordable housing, economic justice and homelessness.

We are proud to be San Francisco Democrats, fighting for those without a voice and leading the battle to stand up to the reactionary politics of Donald Trump.

Sincerely,
