- Patience and dedication for progressive or liberal causes

Fellowship Expectations:

Students can volunteer multiple times in one week and are always welcome to go above and beyond the requirement. Shifts may be for voter registration, phone banking, tabling, or office work. Most shifts will involve some type of voter outreach. Shift length will vary based on activity.
- Follow instructions closely, show up on time, and take initiative.
- Interns will be responsible for registering people to vote, doing administrative work, and event planning. Hitting the streets and talking to strangers a must!

We will provide:

- Training in basic campaign outreach and communication.
- Appropriate supervision – minors ‘out in the field’ will always have an experienced campaign volunteer with them, or a college-aged intern.
- Access to fundraisers, political events, and any local matters that may interest/educate the fellows.
- Upon successful completion of the program interns will receive a diploma, a letter of recommendation on Party letterhead (should they ask for one).
