As the San Francisco Latino Democratic Club embarks on our endorsements for the June 2016 election cycle, your participation in our club questionnaire allows our membership to better understand you and where you stand as a candidate.

QUESTIONS (Please limit responses to 200 words):

- 1) Please describe your qualifications for the position you seek plus anything else that you'd like our members to know about you and your candidacy. Also list any endorsements you have secured from others you wish us to know about.**

I am running for DCCC because I believe as a collective group we can accomplish a great deal. As an attorney, I believe that we can get things done more quickly and efficiently when we work with people who have different viewpoints, versus working against them. My style is like a mediator's, balancing the interests of different parties. I want to see the DCCC to be more efficient. We can work out differences with honesty and transparency rather than dealing in back room politics as the DCCC has unfortunately become.

- 2) What do you think are the top 3 priorities/issues of the San Francisco Latino Community? And why?**

1) Affordable housing/Ellis Act/ gentrification/rising rents/displacement;
2) Education opportunity for Latino children; 3) Cultural conservation.

- 3) What are your plans to encourage and empower the Latino Community into the Democratic political process?**

Outreach programs to help Latino immigrants apply for residency/citizenship; outreach programs for teenagers for future leadership; charitable organization for Latino Community.

1) Are you active in your community/communities? If so, how?

What is considered active? I am currently not active by political standards. I was more active and involved in the community activism when I was in college at UCSC including but not limited to feeding the homeless and protesting for justice. I'm not as involved as now as I was back then; however, I want to get back into helping the community. As a Personal Injury & Civil Rights lawyer, I contribute to society through some pro bono and Civil Rights matters (such as employment discrimination and police brutality cases).

Which candidates are you supporting or have you supported in the following elections:

2016 SF DCCC

2015 Mayor

Sheriff

Board of Supervisors (District 3)

Community College Board

I am still deciding and wish to not disclose this information.

4) Do you believe that registered/paid lobbyists should be required to recuse themselves from votes that benefit the industry or organizations that they represent?

No. That is their job which is separate from their person, and so they should have the right to cast their own vote as an individual self as well.
