QUESTIONS (Please limit responses to 200 words):

- 1) Please describe your qualifications for the position you seek plus anything else that you'd like our members to know about you and your candidacy. Also list any endorsements you have secured from others you wish us to know about.**

I have been volunteering with the SF democratic party since I was 14. I have worked in professional politics at the state, local, and national level and have been the executive director of the SFDCCC as well. More importantly I have served on the boards of many democratic clubs including Democracy Action, SF Young Democrats, the Richmond District, and the Irish American Democratic Clubs. I serve as the vice-chair for voter registration and have personally registered hundreds of voter sand we have built a strong, reliable voter reg operation despite state party funding getting cut.

As a DCCC member I work with and listen to all sides. I think that's important. I am the youngest member of the DCCC and worry that you can't run for DCCC

unless you've got a ton of money, have been a previously-elected official, or have sworn such allegiance to a "side" that you can't be thoughtful or independent.

I have been endorsed by Assemblymembers David Chiu and Phil Ting among others.

- 2) What do you think are the top 3 priorities/issues of the San Francisco Latino Community? And why?

Fighting evictions

Re-committing to non-cooperation with federal immigration deportation efforts
Economic development and business longevity - build wealth in the community and make sure that the roots of long-term access to power in the city are established. Communities thrive when they are taking care of themselves and when they are invested

- 3) What are your plans to encourage and empower the Latino Community into the Democratic political process?

We need to have more DCCC meetings actually in the community and we should also mix up the dates now and then to maximize participation. We also shouldn't be encouraging previously-elected people to run for the DCCC as the Central Committee is often the best way to get further involved.

- 4) Are you active in your community/communities? If so, how?

I am part of many communities in the city. I sing with the Glide ensemble, I used to be on the board of my neighborhood association, and I tutor kids at 826 Valencia. I am also active in my school community serving as my school site's union rep.

5) Which candidates are you supporting or have you supported in the following elections:

2016 SF DCCC

2015 Mayor Ed Lee

Sheriff Vicki Hennesy

Board of Supervisors (District 3) Julie Christensen

Community College Board Alex Randolph

6) Do you believe that registered/paid lobbyists should be required to recuse themselves from votes that benefit the industry or organizations that they represent?

Yes.
