QUESTIONS (Please limit responses to 200 words):

1) Please describe your qualifications for the position you seek plus anything else that you'd like our members to know about you and your candidacy. Also list any endorsements you have secured from others you wish us to know about.

I am running to bring the SF Democratic Party back to its progressive roots. Right now, the party is controlled by corporate and real estate interests that don't care about the LATINO Community and other communities of color.

2) What do you think are the top 3 priorities/issues of the San Francisco Latino Community? And why?

Voter registration, campaign reform and fighting to make SF more affordable.

3) What are your plans to encourage and empower the Latino Community into the Democratic political process?

I want an SF Democratic Party that respects the Latino Community and not one that treats Latinos as thugs. I want a party that encourages Latino participation instead of trying to disenfranchise Latinos, which this party has done under its current leadership.

4) Are you active in your community/communities? If so, how?

Yes, I am very active in my community
