

Vahiguru Ji Ka Khalsa
Vahiguru Ji Ki Fatih

We are so excited that you and your family will be joining us for the upcoming Liv Webinar on The Char Sahibzade.

We have planned a fun activity for you to begin during the webinar and complete and share pictures of your finished version once you have completed it.

You can choose one of two activities or do both if you feel motivated

Activity 1: Coat of Arms

A coat of arms is a special symbol that knights/warriors would wear to identify themselves (it was hard to see who was who under all those layers of armour!). A coat of arms also helped cover and protect the knights/warriors.

Your job is to create a Coat of Arms for yourself reflecting the characteristics that you learn from the webinar about the Char Sahibzade. You can use words, picture or both!

We are attaching several templates for you to choose from to develop your ideas during the webinar. You can also prepare your own template on larger construction paper.

Don't forget to bring :

Pens, markers, crayons, scissors, construction paper and anything else that you would like to help you get creative to make your Coat of Arms

Near the end of the webinar we will ask you to share your ideas about your Coat of Arms via the mic

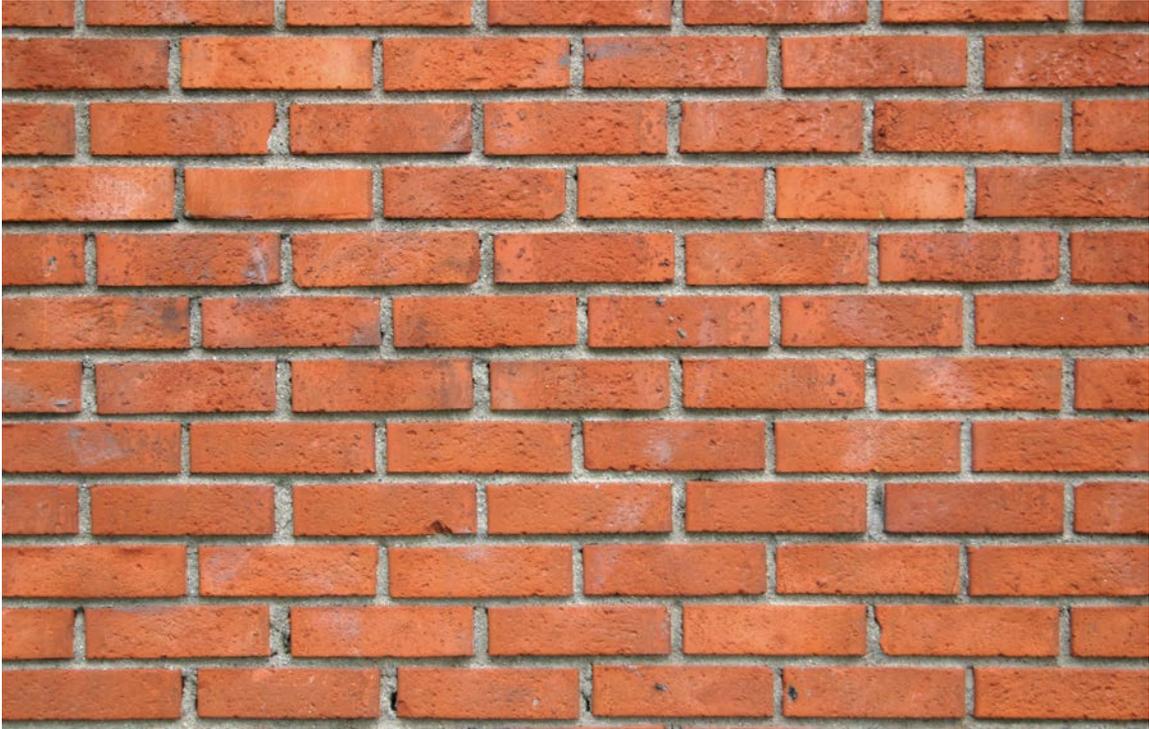

Activity 2: A message to the youngest Sahibzade

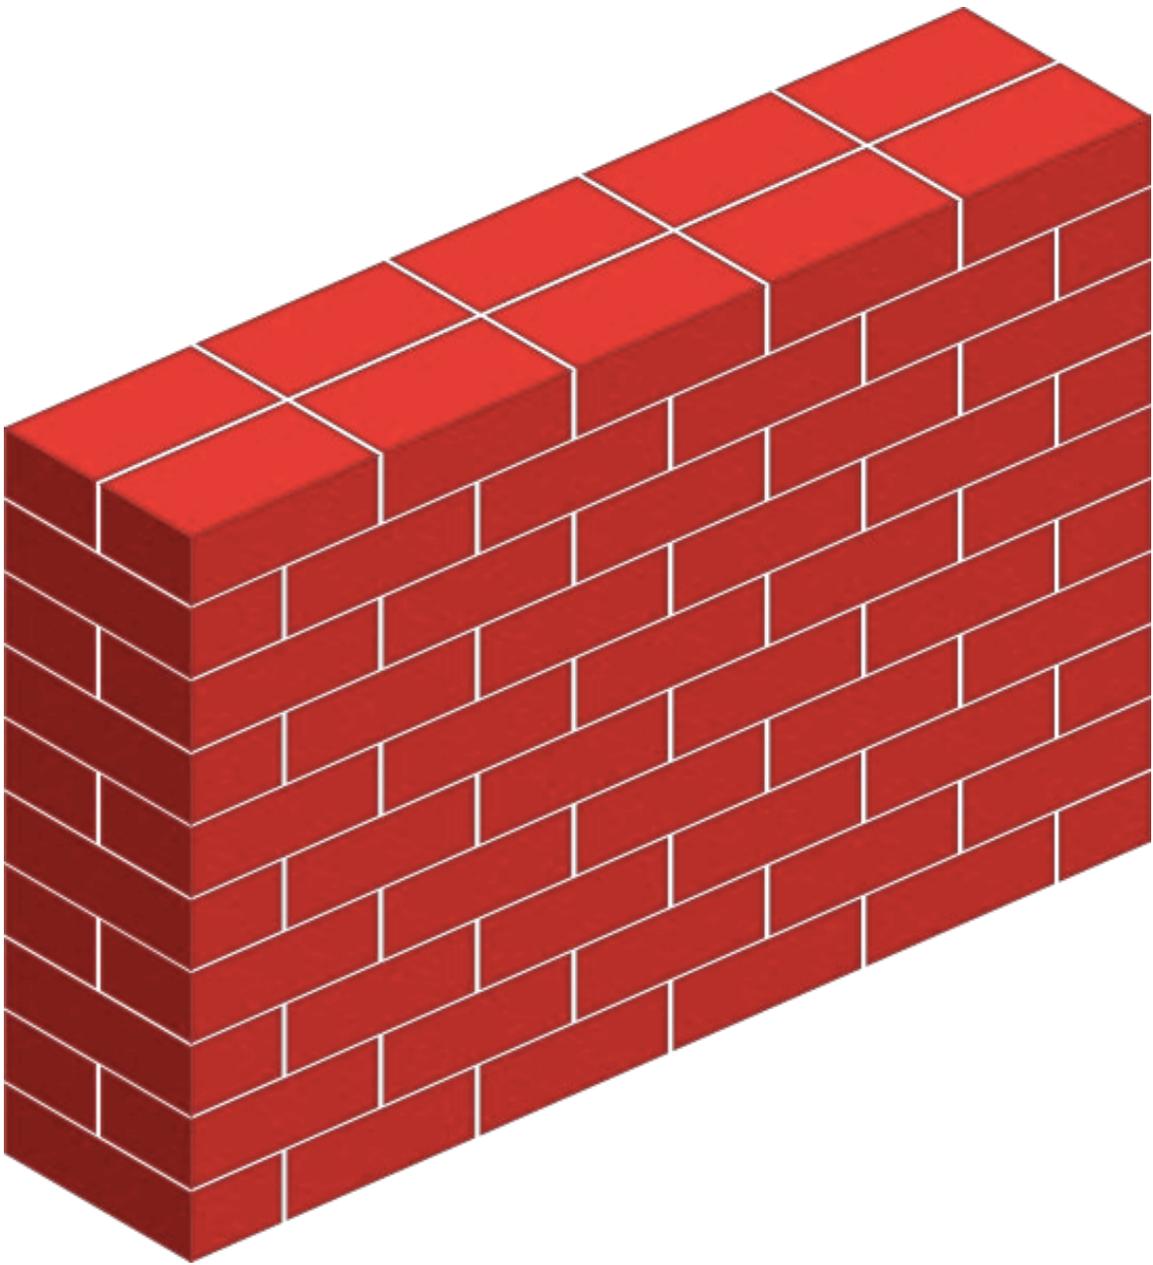

In this activity you will get to write a message to the youngest Sahibzade on a picture of a brick wall. Our hopes are that you will share your thoughts on the characteristics that you learn about them during the webinar.

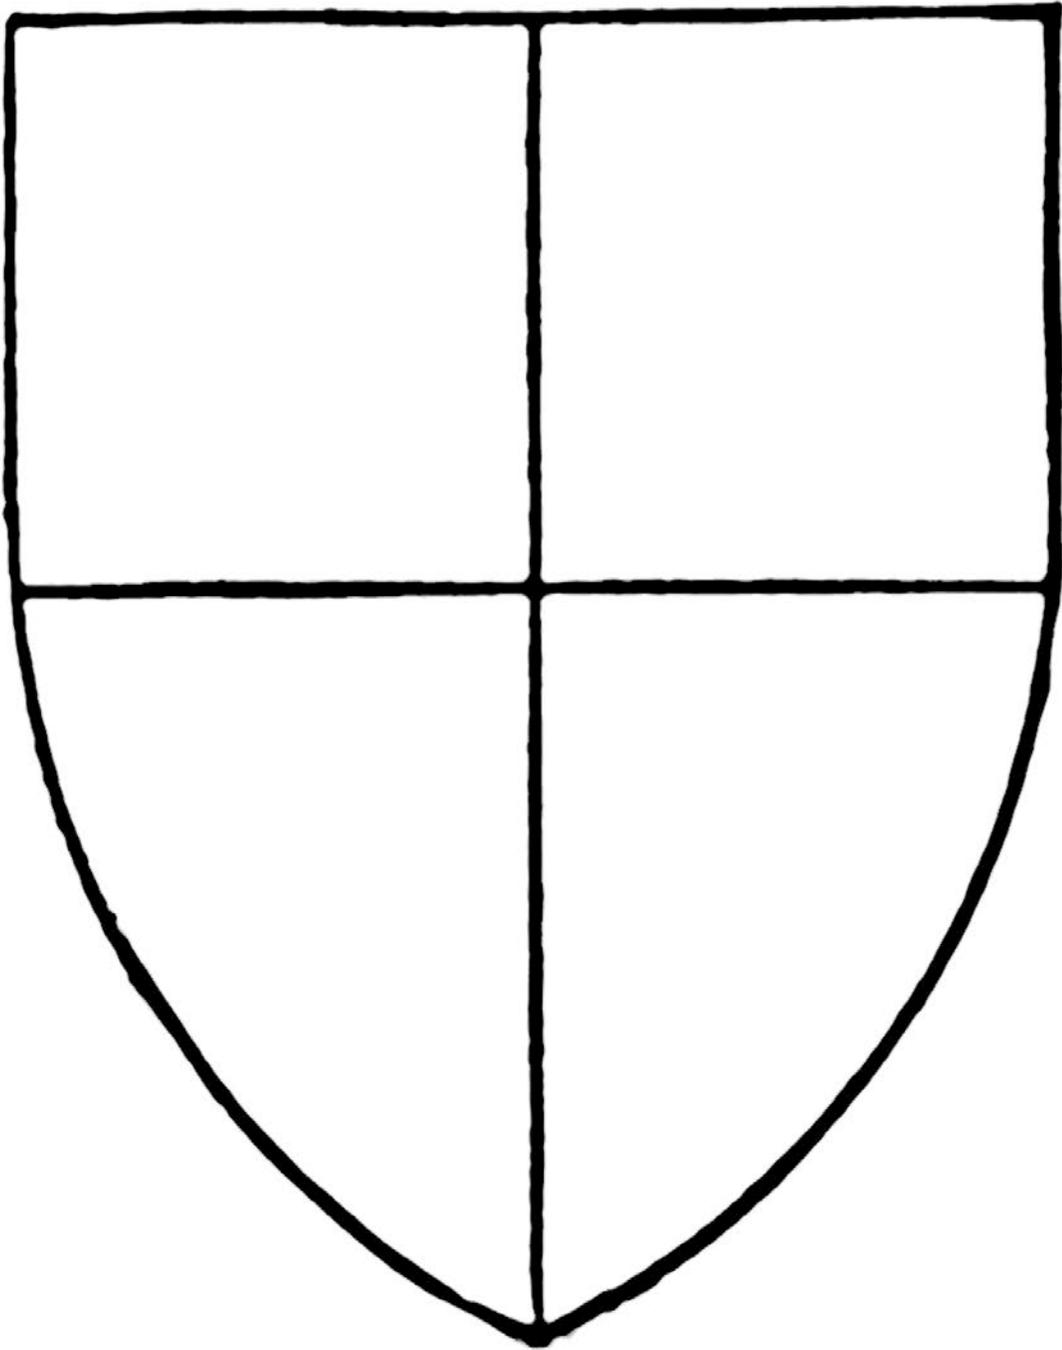

We have provided templates for you to print and write on. Don't forget to get a dark marker show that your message can show up clearly!

After the webinar:

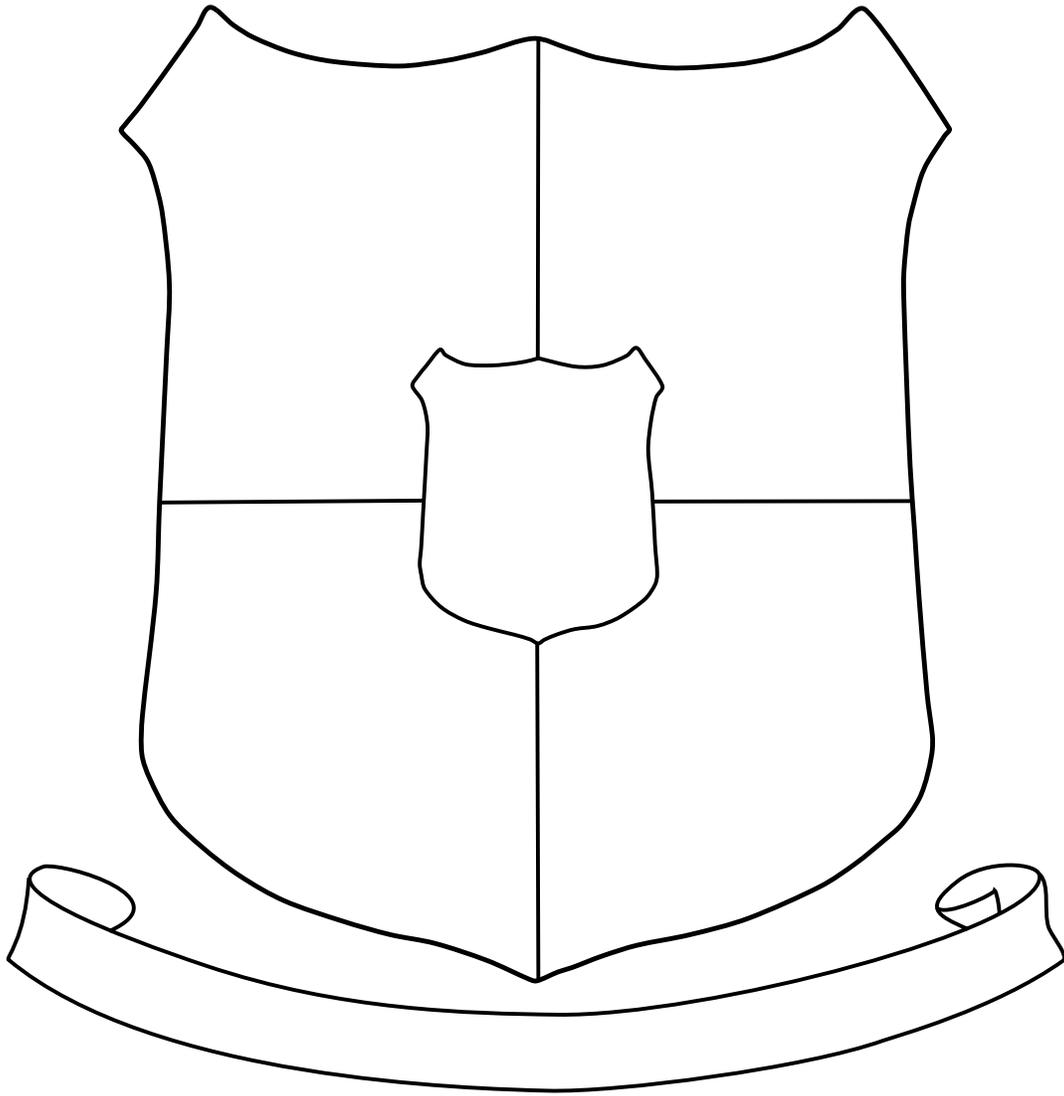

We will ask you to finish your Coat of arms and Brick message and take a clear picture showing all parts of it and send it to ***info@sikhri.org ; Subject: 4 Sahibzade: 'Coat of Arms' or 'Message on Brick' no later than midnight of 12/22/2016.*** Once SikhRI receives all the images they will post them to their social media on or after December 26th in honor of **The beloved 4 Sahibzade.**
