

## 7<sup>th</sup> Annual Stockton Pride Festival

Saturday | August 25, 2018 | 11am –7pm

### *Thank you for your interest in the 7<sup>th</sup> Annual Stockton Pride Festival!*

With another festival under our belt, the Stockton Pride Festival Committee is hard at work creating and planning for this year's Festival to be our biggest and best yet! We started with bringing our Festival to the waterfront jewel of Stockton: Weber Point. With the renaissance and growth of the Downtown Stockton area, Weber Point offers centralized location, visibility, access and the perfect setting for a vibrant celebration!

We encourage vendor booths to bring brilliant creativity and spirit, offering unique and interactive spaces to shape and contribute to an amazing experience for all! We appreciate your partnership and understand our continued success could not be possible without you and your hard work and dedication to diversity!

For your convenience, the checklist below will assist with the attached Vendor Application. There are a few new application requirements and a limited number of Commercial Food Vendor spaces, so please be sure to complete your application as quickly as possible for consideration and processing. For questions or assistance, email or contact the San Joaquin Pride Center at (209) 466-7572 for more information.
