

Energy efficiency upgrade materials

Below cost for SLT members

Surplus stock from SLT's hugely successful Power Savings for Tenants and get Bill Smart projects is available at below cost price for **members** only.

Household Pack: \$250 of value for just \$100 (incl. GST)

Trim your electricity bills by giving your home an energy makeover.

- Upgrade lights to CFL's (12 included);
- Draught proof doors and windows with our selection of tried and tested draught proofing products;
- Reduce hot water losses by insulating your tank and hot water outlets;
- Get that low flow shower head on now; and
- Standby energy saver, shower timer and instructions also included.

Household packs include:

Item	Quantity	What you get
