Let the Games Begin!

Golf Outing 2016

## June 6, 2016

*Highland Golf and Country Club*

Young children who grow up in poverty are likely to enter school two years behind more advantaged peers and the achievement gap continues to widen during their school experience leading them to drop out of school and often into a life of crime and violence. Research indicates, however, that the involvement of a child in a high quality early childhood program results in significant life-long positive outcomes.

St. Mary's Child Center offers two initiatives that are designed to impact school readiness and provide significant life-long positive outcomes: the **Preschool Program and Educational Outreach Program.**

St. Mary's Child Center will host its annual Golf Outing, "Let the Games Begin," on Monday, June 6th, 2016 at Highland Country Golf and Club. The money raised at this event will help support our mission. The day will include lunch, drinks, 18 holes of golf, a silent & live auction and much more. Please review and consider supporting this wonderful event.

St. Mary's Child Center, founded in 1961, provides services to children who have or are "at risk" of learning or emotional problems. Through our preschool program, we offer intensive early intervention services for three to five year old children who have experienced poverty, abuse, neglect, parents with disabilities or addictions and violence in their home or neighborhood. Our children have difficulty acquiring the social, emotional and cognitive skills needed for success in school and later in life. Early intervention services result in long term benefits for disadvantaged children. St. Mary's serves 262 children from all across Marion County. In addition, no child has ever been denied services at St. Mary's for financial reasons. We can change the course of a child's life.

Thank you for supporting St. Mary's Child Center and we hope that you will be able to participate. Should you have any questions, please do not hesitate to contact Beth Daniels 317-361-4883 or via e-mail: [bdaniels@smccindy.org](mailto:bdaniels@smccindy.org) .

Sincerely,

Mark Nance, Co -Chair

## Why Sponsor?

Support the effectiveness of our program, offered to children in poverty. You can help make the difference in the lives of our children. Of the 175 children that left our program to enter kindergarten in June 2015, 89% were functioning at a 5 year old level in all developmental domains. The progress made throughout the school year is a testament to the difference participation in a Preschool Program can have on a child's life.
