

We Need Your Help!

St. Mary's Child Center is one of eight finalists for the 5th annual Gerry Rauenhorst Building Community Award! The finalist with the most votes will receive a \$66,000 grant from the Opus Foundation. **We are the only organization representing Indiana!**

Our mission is to positively impact young children living in poverty with high-quality learning experiences that create a foundation for lifelong success.

These funds would allow us to serve more children in need across the Indianapolis area. We desperately need your help!
