St. Mary's Child Center will host the 2015 Golf Outing, "Celebrating the 80's Throwback Golf Outing" on Monday, June 8th at Highland Golf and Country Club in Indianapolis. The money raised at this event will help support our mission. The outing will feature an 18 hole outing and a golf instructional clinic, tasting and trunk show for golfers of all skill levels. Please review and consider supporting this wonderful event.

St. Mary's Child Center, founded in 1961, provides services to children who have or are "at risk" of learning or emotional problems. Through our preschool program, we offer intensive early intervention services for three to five year old children who have experienced poverty, abuse, neglect, parents with disabilities or addictions and violence in their home or neighborhood. Our children have difficulty acquiring the social, emotional and cognitive skills needed for success in school and later in life. Early intervention services result in long term benefits for disadvantaged children. St. Mary's serves 279 children each day from all over Marion County. In addition, no child has ever been denied services at St. Mary's for financial reasons. We can change the course of a child's life.

Thank you for supporting St. Mary's Child Center and we hope that you will be able to participate. Should you have any questions, please do not hesitate to contact Beth Daniels at 317-361-4883 or via e-mail: bdaniels@smccindy.org.

You are making a difference in the lives of the children at St. Mary's Child Center.

Sincerely,

Mark Nance, Chair
