## St. Mary's Child Center Overview

### *Success in Learning—Success in Life*

St. Mary's Child Center is a not-for-profit agency that offers two early childhood initiatives to positively impact the futures of young children: **The Preschool Program and the Educational Outreach Program.**

St. Mary's Child Center was founded in 1961. Funding for the program is received from United Way, the Archdiocese of Indianapolis, donations from individuals, corporate and endowment/foundation grants, program fees and special events.

All revenue directly supports the children in the Preschool Program and the efforts of the Educational Outreach Program.

Every person involved—from full time staff to volunteers to Board Members— is passionately committed to providing the best possible education for ALL of the children we serve that will result in school and lifelong success.

## Program Overview

Thank you for your interest in the Godparent Program. This is your opportunity to help St. Mary's Child Center make a difference in children's lives.

There are 2 levels to the Godparent Program. The difference in each level is the annual financial commitment. They are as follows:

- **Guardian Angel**—\$1,000 commitment
- **Archangels**—\$2,000 commitment

Commitments run from January 1 until December 31 each year. The following are ways you can meet the financial commitment:

- The Spring Soiree
  - April 17, 2020—\$100 per person
- The Golf Outing
  - August 31, 2020—\$300 per golfer
- The Raffle
  - September 24, 2020—\$100 per ticket
- Night of Miracles
  - November 20, 2020—\$175 per person
- Sponsoring any of the above events

One unique feature of this program is that the money can be raised instead of donated directly from your pocket. For example, selling raffle tickets with each person paying for their own ticket would go towards the commitment. Another example is using a foursome in the golf outing sponsored by your company to entertain clients. Any combination of the above methods can be used.

To sign up, please fill out the registration page on the next panel and send in to the address listed. That's all you need to do!
