

Success in Learning—Success in Life

2019 SPONSORSHIP OPPORTUNITIES

**April 12, 2019
Biltwell Event Center**

Young children who grow up in poverty are likely to enter school two years behind more advantaged peers and the achievement gap continues to widen during their school experience leading them to drop out of school and often into a life of crime and violence. Research indicates, however, that the involvement of a child in a high quality early childhood program results in significant life-long positive outcomes.

St. Mary's Child Center offers two initiatives that are designed to impact school readiness and provide significant life-long positive outcomes: the **Preschool Program and Educational Outreach Program.**
