

Exploring a Pineapple

During lunch Gracie asked, "Miss Jackie, how do you make pineapple?" This sparked great interest in the fruit so we bought a whole pineapple at the store for the children to investigate.

What does it feel like?

Ashley: "Ahh, it's pokey, ouch!"

Brandon: "Yep, it'll poke you."

Gracie: "It's not hot, it's not cold."

What does it sound like?

Gracie: "Nothing."

Raul: "Let me see....I hear something! There's a monster in there!"
