Dear Mother Mary Quentin and Sister Gabrielle Mary,

Thank you again for meeting with us on October 9th at the St. Mary of the Snow Shrine, and thank you very much for your extremely kind hospitality.

As we discussed at that time, we hope that the CMSWR leadership and your members will work with us in reaching out to those who were sexually abused, especially those who were abused by religious women. We hope that, as Pope Benedict said, we can work together "to take whatever steps are necessary to prevent it from occurring again, to ensure the principles of justice are fully respected and, above all, to bring healing to the victims and to all those affected by these egregious crimes." When we met we shared with you some suggestions that we could work out together to help make this happen. If you have others we would be extremely open to listening to them.

We are anxious to hear from you regarding efforts to heal the wounded, educate all religious women, and protect the vulnerable.

Thank you for your time,

Sincerely,

Steve
