

Share the Road Ride Memorial Miles Dedication

Soaring Spirits Loss Foundation is proud to honor the lives of those we have lost to cycling related traffic accidents with our Memorial Miles dedication. We will create a large printed photo board for each honored cyclist that includes a photo, their birth/death dates, and a personal message of your choice. The boards will be displayed along the 25 mile City Tour ride route. We ride for the men and women who died doing what they loved...cycling.

Thank you for honoring us with the opportunity to remember a person you love.
