Potential Changes

- **Number of Participant limitations** (e.g. Regional Health Unit and umbrella organization limits)
- **Limiting the number of groups at a time**
- **Equipment limitations/restriction**
- **Permit times** (e.g. we must allow cleaning between groups)

Potential Changes

- **Safety Plan** e.g. The plan should describe the measures and procedures the group will be taking to minimize COVID 19 transmission. The plans should include screening, physical distancing, contact tracing process, masks or face coverings, cleaning and the wearing of personal protective equipment.
- **Contact tracing and screening requirements**
- **Supplementary documents required**
