This meeting is being hosted on the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis peoples.

We also acknowledge that Toronto is covered by Treaty 13, signed with the Mississaugas of the Credit and the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

COVID-19 Vaccines: Building Trust and Confidence

</table>

Data Source: IntelliHealth COVaxON extracted September 23, 2021 (data for immunization dates up to and including September 22, 2021)
As of September 16th approximately **51,800** Toronto residents are overdue* for their second dose.

* Defined as 107 days from administration of first dose of any vaccine. Data as of September 16, 2021.
2 doses of the COVID-19 vaccine provides strong protection for most people against serious illness, hospitalization or death.

A third (booster) dose is available to people with severely weakened immune systems and to vulnerable seniors & elders living in high risk congregate settings.

Eligible individuals will be contacted by their health care provider to schedule their third dose.

Third doses are not currently available at City of Toronto clinics.
WHAT PARENTS & CAREGIVERS SHOULD KNOW
if someone at your child's school tests positive for COVID-19:

Parents & caregivers of students identified as close contacts will be notified. Schools will work closely with public health.

Close contacts who aren't fully vaccinated, or didn't have a recent COVID-19 infections will self-isolate for 10 days, monitor for symptoms & get tested.

Close contacts who are fully vaccinated, or had a recent COVID-19 infection, will continue daily screening but don't have to self-isolate.

Public Health will provide advice to close contacts & investigate all new cases, & exposures in the school.

TORONTO.CA/COVID19
Encourage parents to:

✓ Have a positive attitude about getting vaccinated.
✓ Share their positive personal experiences and stories.
✓ Talk about the benefits of vaccinations.
✓ Get vaccinated as a family.

All youth born in 2009 are now eligible – even if still 11 years old
Clinic Locations:
- Cloverdale Mall
- Metro Toronto Convention Centre
- Mitchell Field
- Woodbine Mall
- Scarborough Town Centre

No appointment needed
Tuesday to Saturday from 1pm-7pm
First and second doses
OHIP not needed. Bring other ID

Vaccines are one of many tools we have to fight the COVID-19 pandemic. Public health measures continue until enough people receive their 2\textsuperscript{nd} dose.

- Wear a Mask or Face Covering Where Required
- Stay Home When Sick and Get Tested if You Have COVID-like Symptoms
- Maintain Physical Distancing
- Sanitize and Wash Your Hands Regularly
