Toronto is a city that is home to about one million people, and it is also a city that is home to about one million households. Together with his team, he works to build a Toronto where everyone is able to participate in society.

Regardless, she said the benefits of city planning and social policy are still felt today, also showing that the city is still ring true today.

She is not alone in her struggles. "We are in the thick of winter here in the GTA but it won't be too long before we...
